In the Dungeons & Dragons fantasy role-playing game, illithids (commonly known as mind flayers) are monstrous humanoid aberrations with psionic powers. In a typical Dungeons & Dragons campaign setting, they live in the moist caverns and cities of the enormous Underdark. Illithids believe themselves to be the dominant species of the multiverse and use other intelligent creatures as thralls ...

Monsters in the Dungeons & Dragons fantasy role-playing game are generally the antagonists which players must fight and defeat to progress in the game. Since the game's first edition in 1974, a bestiary was included along other game manuals, first called Monsters & Treasure and now commonly called the Monster Manual. Described as an "essential" part of Dungeons & Dragons, the game's monsters ...

This supplement collects the most iconic and dangerous monsters of the Dark Sun campaign setting into one handy tome. It also contains other hazards and threats found in the desert wastelands and dungeon tombs of Athas.

The post-apocalyptic Dungeons & Dragons setting's first-ever comic! Beneath a crimson sun lie wastelands of majestic desolation and cities of cruel splendor, where life hangs by a thread. Welcome to Athas! When an imprisoned gladiator named Grudvik escapes the city of Tyr, a part-time slave hunter and full-time dune trader is hired to bring back the fugitive. But after crossing swords, the pair must join forces to survive the harsh desert.

Aimed at players and Dungeon Masters, this game supplement explores the heroes and wonders of Athas--a savage desert world abandoned by the gods and ruled by terrible sorcerer-kings.

"Nightmares of desert horrors trouble the dreams of the innocent while raiders grow ever bolder beyond the walls of the great city-state of Tyr. Bandits and merchants chase rumors of a temple hidden in the desert, an ancient shrine to the primordial Ul-Athra said to safeguard a fragment of the artifact known as the "Crown of Dust." Can the heroes recover a caravan lost in the wastes, repel the threat of vicious raiders, and win the relic from the perilous temple?"--Cover, p. [4].

Beneath a crimson sun lie wastelands of majestic desolation and cities of cruel splendor, where heroes must battle the horrible monsters and vicious raiders who roam the desert, while in the cities undying sorcerer-kings crush any who dare to oppose them. This is Athas, the unrelenting world of the Dark Sun®; a world shaped by inherently destructive magic, and ruled by intrinsic evil. In such a world, the forces of good—and the heroes who emerge in this unforgiving land—fight not only for themselves, but for life of the world itself. Aric, is a half-elf with a rare natural ability with the psionic discipline known as "the Way." When Aric is brought into a quest to search for a priceless trove weapons, he would rather keep his head down and live a simple life. But nothing is simple in the city of Nibenay with its reclusive ruler known as the Shadow King. And in a world where metal is the rarest of commodities, Aric's "way" with metal is an even rarer talent. Enlisted by the Shadow King himself to seek out this cache of metal weaponry, Aric heads into the desert with a treacherous band of adventurers. Allegiances are tested and secrets are uncovered. But sometimes the secrets hidden by the sands of time should remain undiscovered. When Aric and his band uncover an evil perhaps greater than the Shadow King himself, it is a race against time to see who will harness its power.

Return to the deserts of the Dark Sun world! A maverick statesman, a half-elf slave girl, and a man-dwarf gladiator band together to face off against the vile magic of a sorcerer-king who's spent a thousand years draining the world of Athas of its precious life-force. In 1991 best-selling author Troy Denning introduced the world to the post-apocalyptic world of Athas, and almost twenty years later it remains one of the most talked-about and fan-requested settings in the Dungeons & Dragons universe. These deluxe trade paperback reissues will introduce a whole new generation to the magic-blasted deserts of the Dark Sun world! From the Trade Paperback edition.

Mighty heroes deserve wicked foes Demons and half-demons, dragons and dragonkin, animated corpses and restless spirits, wielders of magic and eaters of spells: These are the creatures of Faerûn, the monsters of the Forgotten Realms campaign setting. *Monster Compendium: Monsters of Faerûn* contains scores of new monsters for use in Dungeons & Dragons adventures. From the aarakocra to the Tyrantfog zombie, these monsters present a whole new range of challenges. Although usable in any campaign, these monsters are especially suited for the Forgotten Realms setting -- a world of great magic, terrible villains, and high adventure.
