hours are on it. Ran like a champ for 9-10 months, then it quit on me. Called every Evinrude shop within 100 miles and no one would touch it. Through a couple dozen calls, I heard everything from "run" to "good luck" and quickly learned of it's reputation.

I assume you are looking at that older Outrage 18 in NY with the 115 FICHT? Most of the comments already made apply only to the '97-'99 150 & 175 FICHT engines. The 115 FICHT is a perfectly good engine. These V4 motors never had the fouling problems of the '97-'99 150 & 175 V6 engines, or the fuel rail problems of the '99 & '00 200 & 225 engines.
