The Concept Of Law 3rd Edition | thedalagaproject.com

Private law consists of the rules governing relations between private individuals or groups of persons. Private law—which can be divided into categories such as torts, contracts, business entities, business relationships, and property rights—forms the substance of business law and is the main focus of this document.

This updated third edition of Legal Aspects of Corrections Management provides a current, informative, and reader-friendly discussion of the contemporary legal issues impacting corrections management. Through the use of case law, this text provides readers with a practical understanding of how the First, Fourth, Fifth, Eighth and Fourteenth Amendments relate to the day-to-day issues of running a prison, jail, and other corrections programs, such as probation and parole. The authors' combined corrections experience included such positions as General Counsel, Regional Counsel, and Correctional Program Officer, as well as working within corrections facilities. Their work involved advising corrections staff and management on the legal issues associated with policies and procedures. The authors also have extensive teaching experience in corrections law, the criminal justice system, and criminology.

Rev. ed. of: Organizational behavior and management in law enforcement / Harry W. More ... [et al.]. 2nd ed. 2006.

Hailed when it was first published in 1985 as the bible of U.S. collections management, A Legal Primer on Managing Museum Collections offers the only comprehensive discussion of the legal questions faced by museums regarding collections. This revised and expanded third edition addresses the many legal developments—including a comprehensive discussion of stolen art and the international movement of cultural property, recent developments in copyright, and the effects of burgeoning electronic uses—that have occurred during the past twenty-five years. An authoritative, go-to book for any museum professional, Legal Primer offers detailed explanations of the law, suggestions for preventing legal problems, and numerous case studies of lawsuits involving museum collections.

Employment Law: A Guide to Hiring, Managing, and Firing for Employers and Employees, Fourth Edition is a practical text for undergraduate, graduate, and paralegal employment law, human resources, and business school courses. This unique book approaches each area from the perspective of both employees and employers. The balanced approach is organized to track the employer-employee relationship focusing on day-to-day hiring, managing, and firing practices. After an overview of discrimination laws and a discussion of different types of employment relationships the text moves chronologically from the recruitment of candidates through all aspects of employment to the conclusion of the employment relationship. Each chapter begins with clear chapter objectives. A list of key terms ends the chapter followed by basic questions to ensure students master the key concepts and fact patterns, which test student ' s ability to apply the concepts to workplace matters. These fact-based scenarios promote critical thinking and develop analytical skills. New to the Fourth Edition: New coverage of the balancing of employer and employee interests in regard to political expression and social media use Expanded discussion of employer and employee rights with respect to medical marijuana Focus on the heightened attention paid to policies related to workplace romances due to the #MeToo movement Enhancement of the materials related to the prohibition of sex discrimination and compensation discrimination materials, including the comparing and contrasting of employee rights under Title VII and the Equal Pay Act Introduction of Check it out! —a teaching tool based on real-life scenarios. These sidebars raise thought-provoking questions designed to initiate both legal and policy discussions and reinforce legal concepts and stakeholder considerations. Professors and students will benefit from: Materials are chronologically organized and track the employer – employee relationship. Complicated information is presented in a clear and concise manner. Guidance from the very agencies that are ultimately responsible for the laws that regulate the employment relationship is included. Tackling of serious workplace matters is paired appropriately with the injection of humor to increase the attention of students and the likelihood that they retain the knowledge related to key concepts. Students who work in human resources, employment law are provided with sample forms, enforcement guidance, and workplace posters that they need to know. Practical information within the context of interviewing provides students with a wealth of information and issues that help them frame interview questions that are legally compliant. References to the most significant legal cases, as well as some lesser-known cases represent common themes. End-of-chapter questions ensure students master key concepts. Numerous fact patterns test whether students not only understand these concepts but also can apply them to workplace matters. These fact-based scenarios promote critical thinking and develop analytical skills so that the knowledge can be used by students. Key terms appear in the margins where a term is first introduced and in the glossary at the end of the book. This comprehensive glossary of key terms provides students with an additional opportunity to review important terms.

Sport Law: A Managerial Approach, third edition, merges law and sport management in a way that is accessible and straightforward. Its organization continues to revolve around management functions rather than legal theory. Concise explanations, coupled with relevant industry examples and cases, give readers just enough legal doctrine to understand the important concepts that apply to each area. This book will help prepare students as they get ready to assume a broad range of responsibilities in sport, education, or recreation. Whether readers work as coaches or teachers; administer professional programs; manage fitness/health clubs; or assume roles in a high school, college, Olympic, or professional sport organization, legal concerns will inevitably be woven into their managerial concerns. This book provides knowledge of the law that helps create a competitive advantage and build a more efficient and successful operation that better serves the needs of its constituents. Special Features of the Book Managerial context tables. Chapter-opening exhibits act as organizational and study tools identifying managerial contexts in relation to major legal issues, relevant law, and illustrative cases for the chapter. Case opinions, focus cases, and hypothetical cases. Legal opinions--both excerpted (case opinions) and summarized (focus cases)--illustrate relevant legal points and help readers understand the interplay between fact and legal theory. The cases include questions for discussion, and the instructor ' s manual provides guidance for the discussion. Hypothetical cases further highlight topics of interest and include discussion questions to facilitate understanding of the material; analysis and possible responses appear at the end of the chapter. Competitive advantage strategies. Highlighted, focused strategies based on discussions in the text help readers understand how to use the law to make sound operational decisions and will assist them in working effectively with legal counsel. Discussion questions, learning activities, and case studies. Thoughtful and thought-provoking questions and activities emphasize important concepts;they help instructors teach and readers review the material. Creative case studies stimulate readers, as future sport or recreation managers, to analyze situations involving a legal issue presented in the chapter. Annotated websites. Each chapter includes a collection of web resources to help readers explore topics further. Accompanying the web addresses are brief descriptions pointing out key links and the sites' benefits. Bookmarking these sites will help readers in future research or throughout their careers.

This book provides a number of windows into homeland security and emergency management law - covering both the basic structure of the homeland security and emergency management system and presenting detailed analysis of specific areas (such as applying for federal preparedness funds, negotiating intergovernmental agreements, applying for disaster assistance, and managing the impact of catastrophic events).

The second edition of The Law of Governance, Risk Management, and Compliance follows the first edition, as the first casebook focused on the law of governance, risk management, and compliance. Author Geoffrey P. Miller, a highly respected professor of corporate and financial law, brings real world experience to the book as a member of the board of directors and audit and risk committees of a significant banking institution. The book addresses issues of fundamental importance for any regulated organization (the \$13 billion settlement between JPMorgan Chase and its regulators is only one of many examples). This book can be a cornerstone for courses on compliance, corporate governance, or on the role of attorneys in managing risk in organizational clients.

This is a practical, hands-on text designed for paralegal courses that cover day-to-day law office management topics. The text focuses on such important topics as client relations and communication skills; legal fees, timekeeping, and billing; client trust funds and law office accounting; calendaring, docket control, and case management; legal marketing; and file and law library management. A demonstration version of Thomson's Elite full featured ProLaw software, a deep time and billing, accounting, document management, and case management program, is included along with in depth software tutorials. Special features of this revision include an expanded focus on technology and ethics; up to date charts and graphs that present material in an easy to understand context; Internet sites and Internet exercises in each chapter; quotes from practicing legal assistants that provide current and real-life commentary; and an emphasis on hands-on, practical exercises including projects, cases, practical problems, and Excel tutorials for timekeeping and billing and trust accounting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
