Appropriate for Supervision, Supervision Management, and Intro to Management. Supervision Today has earned a reputation of being the one of the most effective supervision books because it blends traditional and contemporary topics, as well as theories and experiential skills. Offering a three-tier learning system, it focuses on building readers' knowledge, improving their comprehension and applying concepts directly to skill development. Known for its lively tone and four-color design, it captures the latest in supervision literature and includes cases to invigorate any lecture. This edition includes new information on contingent workforces, entrepreneurship, employee theft, work/life balance, IM, texting, and workplace diversity.

This text focuses on law enforcement managers and supervisors, their jobs, and the complicated interrelationships between members of the law enforcement team and the communities they share. It illustrates the best known methods and practices of police leadership and management while also turning an eye to the future. Bennett/Hess present a comprehensive overview of the responsibilities of law enforcement leaders as well as developments in the field. The text covers everything from the newest principles of participative leadership to the exciting technological aids changing the face of today's law enforcement officer and agency.

Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. Effective Police Supervision provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police administration. The Effective Police Supervision Study Guide, which includes quizzes and other study tools, gives students, as well as professionals training for promotional exams, a way to review the material and be fully prepared for examinations and the world of police supervision. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and avoiding scandals.

Differentiate yourself in a competitive marketplace with SUPERVISION: CONCEPTS AND PRACTICES OF MANAGEMENT, 13E. A blend of traditional management concepts and emerging insights, the text draws from the authors' firsthand business experience to deliver the leadership skills hiring managers want but rarely find in new recruits. This comprehensive single source for supervisory management expertise addresses the most critical challenges in business today, including globalization, economic turbulence, transitional and temporary workers, virtual employees, technology, outsourcing, and downsizing. Hands-on and practical, the text complements chapter readings with skill-building techniques and captivating video cases from well-known organizations, letting you experience supervisory roles yourself. Special attention to diversity and ethics also helps you develop a better sense of life beyond the classroom and enhances the text's extensive coverage of communication, decision making, conflict resolution, and other essential supervisory skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Order of authors reversed on previous eds.

The must-read text for criminal justice students, prospective police supervisors, and police promotional exams. Supervision of Police Personnel, Eighth Edition, offers complete coverage of the principles and practices of police supervision for leadership training of supervisors in law enforcement and allied fields. This newly updated text explores relationships involved in individual and group management methods and the practical techniques for carrying out the various responsibilities of the police supervisor. Discussions focus on real issues faced by police supervisors in interpersonal, operational, and administrative relationships. Written by experienced police officers, the text presents time-tested content that is an indispensable resource for promotional exams.

Terri S. Watson equips you to excel in "the helping profession within a helping profession" as you provide clinical supervision for other mental health workers. Grounding our thinking in the historic and contemporary wisdom of virtue ethics, this resource aims to identify and strengthen supervision's important role for character formation in the classroom, in continuing education for practitioners, and in clinical settings.

The first edition of Instructional Supervision: Applying Tools and Concepts was highly regarded by both professors and students for its practicality and its - - coverage of tools & strategies to help supervisors work effectively with teachers.- up-to-date approach to clinical supervision which includes teacher portfolios, action research, peer coaching, and other innovative practices.- authentic case studies, classroom examples, field experiences, prompts for reflection, and pragmatic tips.The second edition retains all of these features and goes further by offering -- a comprehensive collection of classroom observation tools.- a new chapter on confronting marginal teaching. - expanded coverage of professional development & its link to teacher evaluation.- extended ELCC-based self-assessment activities for students to help them master the entire cycle of clinical supervision and the development of professional growth plans.

The International Foundation for Protection Officers (IFPO) has for many years provided materials to support its certification programs. The current edition of this book is being used as the core text for the Security Supervision and Management Training/Certified in Security Supervision and Management (CSSM) Program at IFPO. The CSSM was designed in 1988 to meet the needs of the security supervisor or senior protection officer. The book has enjoyed tremendous acceptance and success in the past, and the changes in this third edition, vetted by IFPO, make it still more current and relevant. Updates include 14 new chapters, 3 completely revised chapters, "Student Performance Objectives" in each chapter, and added information on related resources (both print and online). * Completion of the Security Supervision and Management Program is the initial step toward the Certified in Security Supervision and Management (CSSM) designation * Over 40 experienced security professionals contribute chapters in their area of speciality * Revised throughout, and completely updated with 14 new chapters on topics such as Leadership, Homeland Security, Strategic Planning and Management, Budget Planning, Career Planning, and much more. * Quizzes at the end of each chapter allow for self testing or enhanced classroom work

Todays healthcare supervisors are continuously faced with smaller budgets, fewer workers, greater responsibilities and time pressure. The all new Fifth Edition of Umikers Management Skills for the New Health Care Supervisor continues to provide valuable information for future health care managers and supervisors who must address these challenges daily. Written primarily for those who have little to no management training, Umikers offers practical suggestions for improving effectiveness both as a supervisor and as an organization. Ideal for students in junior undergraduate, community, and career college programs, author Charles McConnell maintains Bill Umikers clear, jargon-free writing style.
