'Exuberant plotting and witty prose. Great fun.' The Times Phoebe Stanbury was killed in the summer of secrets... One balmy June evening in 1881, Phoebe Stanbury stands before the guests at her engagement party: this is her moment, when she will join the renowned Raycraft family and ascend to polite society. As she takes her fiancé's hand, a stranger holding a knife steps forward and ends the poor girl's life. Amid the chaos, he turns to her aristocratic groom and mouths: 'I promised I would save you.' The following morning, just a few miles away, timid young legal clerk William Lamb meets a reclusive client. He finds the old man terrified and in desperate need of aid: William must keep safe a small casket of yellowing papers, and deliver an enigmatic message: The Finder knows. With its labyrinth of unfolding mysteries, Claire Evans' riveting debut will be adored by fans of Kate Mosse, Carlos Ruiz Zafon and Jessie Burton. 'A darkly brilliant romp packed with intrigue and romance. . . curl up and prepare to become immersed' Heat 'Claire Evans has created a cast of deliciously sinister and mysterious characters. A hugely satisfying read' Good Housekeeping 'I stayed up far too late reading this night after night. IT WILL GET YOU HOOKED' Herald Sun 'A brilliantly plotted, unpredictable page-turner that builds to a devastating conclusion' Jack Williams, co-creator of The Missing and Rellik 'Claire Evans's debut novel is exciting, ingenious' Good Reading Magazine 'Will keep you guessing' Crime Fiction Lover 'The Fourteenth Letter is well researched, well plotted, well written and a jolly good read' Promoting Crime Fiction blog 'A delicious and surprising debut novel. Thrilling' Love It Magazine 'Builds to a shattering conclusion - it will repay your patience over and again. this is a superb story, well worth the read' Crime Review 'A truly thrilling read, and I will be looking out for this author's next book. Highly recommended' MyShelf (blog)

Winner of the Bruce Fraser Award (2016) Voices of Civil War soldiers rise from the pages of Heroes for All Time. This book presents the war straight from the minds and pens of its participants; rich passages from soldiers' letters and diaries complement hundreds of outstanding period photographs, most previously unpublished. The soldiers' moving experiences, thoughts, and images animate each chapter. Written accounts by nurses and doctors, soldiers' families, and volunteers on the home front add intriguing details to our picture of the struggle, which claimed roughly 6,000 Connecticut lives. Rare war artifacts—a bone ring carved on the battlefield or a wad of tobacco acquired from a rebel picket—connect the reader to the men and boys who once owned them. From camp life to battle, from Virginia to Louisiana, from the opening shot at Bull Run to the cheering at Appomattox, Heroes for All Time tells the story of the war through vivid, personal portrayals.

From the January 2003 symposium come just over 100 papers addressing a range of topics related to discrete algorithms. Examples of topics covered include packing Steiner trees, counting inversions in lists, directed scale-free graphs, quantum property testing, and improved results for directed multicut. The papers were not formally refereed, but attempts were made to verify major results. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com)

"Kreiser breathes new life into this most important of Union Army units. . . . A remarkably well-written and superbly researched account." —David E. Long, author of The Jewel of Liberty: Abraham Lincoln's Re-election and the End of Slavery Fair Oaks, the Seven Days, Antietam, Fredericksburg, Gettysburg, Cold Harbor, Petersburg—the list of significant battles fought by the Second Corps, Army of the Potomac, is a long and distinguished one. This absorbing history of the Second Corps follows the unit's creation and rise to prominence, the battles that earned it a reputation for hard fighting, and the legacy its veterans sought to maintain in the years after the Civil War. More than an account of battles, Defeating Lee gets to the heart of what motivated these men, why they fought so hard, and how they sustained a spirited defense of cause and country long after the guns had fallen silent. "[An] excellent contribution to Civil War history shelves." —Midwest Book Review "Lawrence Kreiser tells the Second Corps' story with verve and attention to personal as well as bureaucratic details." —Civil War Librarian

The 1930s marked a turning point for the world. Scientific and technological revolutions, economic and social upheavals, and the outbreak of war changed the course of history. The 1930s also marked a turning point for Robinson Jeffers, both in his career as a poet and in his private life. The letters collected in this second volume of annotated correspondence document Jeffers' rising fame as a poet, his controversial response to the turmoil of his time, his struggles as a writer, the growth and maturation of his twin sons, and the network of friends and acquaintances that surrounded him. The letters also provide an intimate portrait of Jeffers' relationship to his wife Una—including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos, New Mexico that nearly destroyed their marriage.
