Human Rights Act The Human Rights Act 1998 is the main piece of law that protects human rights in the UK. It places public authorities - including the government, state schools, hospitals and social services - under an obligation to treat everyone in the UK with fairness, equality, dignity, respect and autonomy. Human rights have been getting bad press in the UK recently.

~~Human rights law | Amnesty International UK~~

The main arguments emphasized that, according to the current status of incorporated human rights law in relation to the federal ordinary laws and other normative acts, the prohibition of the National Health Surveillance Agency regarding cannabidiol represented a violation of the human right to health, since it prevented the access to the most reliable treatment available.
